

To whomever this concerns ;

I was informed from U.S.T.P.O. my Patent Application was incomplete . I am supplying what I have as of now and would like to have extension to complete (computer crash ) .

I talked to a gentleman in your office who said it can be submitted as is and I will be given more time with appropriate fee payed at the price of 55 dollars each month past my original 2 month period .

I ' m sorry for any inconvenience and ignorance

I Sincerely Thank You
